

SPA SERVICES AT THE HOTEL TELLURIDE

Whether you will be enjoying a day of play in the mountains or a quiet and restful vacation, our spa services offer a rejuvenating retreat and a refreshing opportunity to restore your health, vitality and well-being.

Guests may choose from a variety of spa services in the peaceful seclusion of one of our treatment rooms or in the privacy of a guest room. Enjoy massage and yoga therapy, beauty and wellness services, along with the option of creating a spa package especially designed to personalize and perfect your spa experience.

Massage

Massage is a therapeutic healing art which benefits the mind and body in many important ways. By increasing overall circulation, massage enhances the general health and vitality of the body, offering a renewed sense of well-being and improved strength and immunity. Massage can also effectively help to treat conditions such as chronic pain and discomfort and is especially helpful for symptoms of long-term stress, creating an overall effect of calm and centeredness.

Custom Massage

Certified massage therapists trained in varieties of massage and body work such as deep tissue, swedish, hand and foot reflexology, energy balancing, and sports massage create a therapeutic massage session based on your individual needs and preference.

Spa Guidelines

Scheduling

All appointments are scheduled through the front desk. The Hotel Telluride Spa Services has limited space availability; booking in advance is the best way to ensure availability of service. All services are based on therapist availability.

Cancellations

Cancellations without a minimum of 4 hours will incur full treatment charge. Cancellations on packages require 24 hours notice or full treatment charge will be incurred.

Arrival

Please arrive 5 minutes prior to your appointment time. Late arrival will limit the time available for your treatment. All treatments will end on time so as not to delay the next guest.

Clothing

Please wear comfortable clothing, so that you continue to feel relaxed when you are done with your service. The hotel offers the use of robes and slippers in your room.

Water

It is important to drink plenty of water prior to and following any type of bodywork, particularly after a massage. Remember, we are at a high altitude in a dry climate, so stay hydrated!

Tipping

Gratuities are not included in the pricing of spa services. Gratuities are welcomed and at your discretion.
